

PhD Programme in “Architectural Urban Interior Design”

The Programme offers 5 positions (of which 4 fully funded with scholarships) for the 38th PhD cycle at Politecnico di Milano. All scholarships cover three years of study and research.

The Program promotes studies in all aspects of architectural design: theory, applied design research, exploring questions related with emergency and prevention, reuse and regeneration processes, transformation and innovation of the built environment.

The present call includes the following scholarships:

#	Type	Research topic	Granting Institution
1	Open Subject	<i>“Architectural Urban Interior Design”</i>	Italian Ministry of University and Research Politecnico di Milano
2	Open Subject	<i>“Architectural Urban Interior Design”</i>	Italian Ministry of University and Research Politecnico di Milano
3	Open Subject	<i>“Architectural Urban Interior Design”</i>	Italian Ministry of University and Research Politecnico di Milano
4	Interdisciplinary	Horizon Europe: “Large-Scale Photovoltaic Systems and Landscape. Guidelines for The Design, Construction and Operation of Landscape-Integrated PV Plant” In collaboration with the PhD program in “Electrical Engineering”	Politecnico di Milano

Please notice that, in order to be eligible for any of the scholarships, you must (in the registration process) declare that you intend to compete for a scholarship (see also sections 6.4 and 7.6 of the [Quickstart](#) manual).
