PhD Programme in “Management Engineering”

The PhD programme in “Management Engineering” offers 18 positions (of which 14 fully funded with scholarships) for the 37th PhD cycle at Politecnico di Milano. All scholarships cover three years of study and research.

The present call includes the scholarships listed in the enclosed table.

Please notice that, in order to be eligible for any of the scholarships, you must (in the registration process) declare that you intend to compete for a scholarship (see also sections 6.4 and 7.6 of the Quickstart manual).

For further information about the Open Subject scholarships please visit the Open Subject Scholarships webpage.

For further information about the Thematic scholarships please visit the Thematic Scholarships webpage.

For further information about the Interdisciplinary scholarships please visit the Interdisciplinary Scholarships webpage.
