

PhD Programme in “Urban Planning, Design and Policy”

The PhD programme in “Urban Planning, Design and Policy” offers 6 positions (of which 5 fully funded with scholarships) for the 41st PhD cycle at Politecnico di Milano. All scholarships cover three years of study and research.

This PhD programme aims at exploring the significance and impact of contemporary urban change as well as understanding the way the latter can be governed through planning, design and policy-making activities.

The present call includes the following scholarships

#	Type	Research topic	Granting Institution
1	Open Subject	<i>“Urban Planning, Design and Policy”</i>	Italian Ministry of University and Research Politecnico di Milano
