THE DIRECTOR

HAVING REGARD TO the participation of Politecnico di Milano in the Erasmus+ Programme and in particular the current Agreement 2022-1-IT02-KA131-HED-000062557

HAVING REGARD TO the programme agreed between the parties for the implementation of a Blended Intensive Programme coordinated by the University of Valladolid;

HAVING ASCERTAINED the availability of sufficient funding;

HEREBY DECREES

the issue of this call for applications for students wishing to participate in the Blended Intensive Programme (BIP) "Biological Carbon Capture Technologies"

Art. 1 - Addressees

This call for applications is open to all PhD students officially enrolled at the Politecnico di Milano. Applicants must still be enrolled at the Politecnico di Milano during the course.

Art. 2 - Project Description

This call for applications is for participation in the Blended Intensive Programme "Biological Carbon Capture Technologies", which will be held in Valladolid from 12 to 16 June 2023.

The complete course programme is available as an attachment to this call.

For more information on the programme, please contact Prof. Elena Ficara by e-mail at:
elena.ficara@polimi.it

At the end of the programme, successful PhD students will be awarded 3 ECTS for their work. The credits will be recognised in the PhD students' academic study plan, as extra ECTS, according to the rules defined by the PhD School.
