

CALLS AND EVENTS

POLITECNICO
MILANO 1863

ERASMUS+ (OUTGOING MOBILITY FOR STUDY PURPOSES)

The call for the 2023/2024 International Mobility for study has been issued.

The Erasmus Programme offers support for mobility of students within European programme countries (KA131) as well as within a selection of Extra-UE partner countries (KA171). All Politecnico di Milano students apply in the "International mobility for study" section of their Online Services.

After selection for the programme, the host university has to accept the students for mobility, so for PhD candidates it is advisable to make contact with a research group in advance, to plan the visit.

For general information about the Erasmus Programme, for the Call and for the lists of destinations available to PhD students please visit the webpage <https://www.polimi.it/en/campuses-and-services/international-mobility/study-abroad/erasmus-and-other-programmes/1-how-to-apply>

For further administrative information please contact bando-mobilita@polimi.it (please specify that you are a PhD student)

Deadline for application: 11th January 2023 (12:00 midday)

IDEA League

IDEA LEAGUE STUDENT GRANTS 2023

IDEA League is a strategic alliance among five leading European universities of technology: ETH Zurich, TU Delft, Chalmers, RWTH Aachen, and Politecnico di Milano. Politecnico di Milano supports short-term research exchanges among IDEA League PhD candidates. The grants are made available to Politecnico di Milano PhD Candidates who want to do a short-term research stay at an IDEA League partner university.

Within the IDEA League Student Grants programme, funds are available to support PhD candidates' short-term research exchanges among IDEA League partners.

- The grant amount equals to 600 EUR gross per month, inclusive of the taxes owed by the Politecnico di Milano.
- Research exchanges from 2 weeks to 6 months are covered.
- The research exchange must take place in 2023 (in case it goes beyond that period only the 2023 portion will be covered).
- The grant can be combined with any other funding available (e.g., with the 50% scholarship increase due for periods abroad).

Please check our [website](#) for inspecting the call and to apply.

Further information: <http://idealeague.org/student-grant>

The application for admission to the selection procedure must be sent only through the application: "Application form" > "Selection procedures", available in the [online services](#) of Politecnico di Milano.

Please note that inside the application the section INCOME DATA doesn't have to be filled in.

Deadline for applications: December 22nd, 2022 at noon (12.00 Italian time).
